Additional Services Requested:	<ul style="list-style-type: none"> <li>• sustainable design brief</li> <li>• referrals</li> <li>• other</li> </ul>

## Sustainability Priorities

**Client to rank priority - very high, high, moderate, low**

Tropical Climate Responsive Design – VH / H / M / L

Energy Efficiency – VH / H / M / L

Resource Efficiency – VH / H / M / L

Water Efficiency – VH / H / M / L

Healthy, Safe & Neighbourly Home – VH / H / M / L

Economical Home – VH / H / M / L

Eco-friendly Garden – VH / H / M / L

## Overall Comments

- Budget :
- Building fabric:
- Home Design:
- Landscaping:

## Tropical Climate Responsive Design

- Orientation
- Breeze
- Ventilation
- Sealability
- Sun
- Room locations
- Outdoor living
- Connection with outdoors
- Microclimate

## Building Fabric

- Roof
- Floor
- Walls
- Windows
- Doors
- Overhangs
- Shading
- Insulation
- Wall finishes
- Cabinetry
- Fittings

## Resource Efficiency

- Embodied energy of building materials
- Materials consumption

## Energy Efficiency

- Household energy practices
- Air-conditioning
- Fans
- Hot water heating
- Daylighting
- Energy efficient lighting
- In-house energy display
- Line drying of clothes
- Standby energy
- Energy efficient appliances
- Renewable energy
- Clean Energy from Ergon
- Transportation mode / vehicle storage

## Water Efficiency

- Water usage (annual)
- Plant selection (low water use)
- Irrigation
- Rainwater tanks
- Grey water diversion
- Greywater reuse
- Greywater treatment
- Dual reticulation
- In-house water meter
- Showers
- Toilets
- Taps
- Water efficient appliances
- Water filters

## Healthy, Safe & Neighbourly Home

- Indoor air toxicity
- Non-toxic pest treatments
- Low allergy home
- EMR (electro-magnetic radiation)
- Visitability / Step-free transitions
- Injury Prevention
- Child-safety
- Promoting wellbeing
- Adaptability / Retrofitability
- Relationship to street

## Economical Home

- Cost effective construction
- Optimise re-sale value
- Low maintenance (time/cost)
- Income generation
- Minimise damage and wear & tear
- Minimise injuries
- Minimise theft
- Household overheads
- Utility services

## Eco-Friendly Garden

- Integrated landscape design
- Landscaping style
- Eco-friendly landscaping
- Swimming pool
